

## 2020 - 2021 **PROGRAM GUIDE**

ONE OF THE NATION'S TOP ONLINE CLASSICAL SCHOOLS

## OUR VISION

FreedomProject Academy is committed to changing culture and restoring the nation through Classical education, teaching Judeo-Christian values, and preparing the next generation of patriot leaders.

## OUR STORY

Founded in 2011, FreedomProject Academy offers a first-rate, Classical education for Kindergarten through High School. FPA is a fully accredited school, recognized for authenticity and excellence, without compromising core values or academic standards. FPA is grounded in Judeo-Christian beliefs as promoted in the Constitution by our Founding Fathers, who strove to guarantee the preservation of our God-given liberties. Our classes are delivered live online through interactive classrooms to students across the world. FPA is one of the fastest growing private schools in the country and is also at the forefront in the fight to educate families with factual content and without government control.

## COMMON CORE FREE

FreedomProject Academy remains staunchly opposed to the implementation of Common Core in public, private, and homeschool curricula, and will not tolerate Common Core teaching methods or materials in our own classrooms. FPA can remain Common Core free because we do not accept a penny of state or federal money. Instead, we rely on tuition revenue and the generous tax-deductible donations of supporters.

For more information on Common Core and FPA's stance, visit [fpeusa.org](http://fpeusa.org).

## Fully ACCREDITED

FreedomProject Academy is fully accredited by the National Association of Private Schools.

## **EXPECTATIONS** & *Commitment*

FreedomProject Academy is a school, not a self-paced program or a tutorial service. We offer the structure of a school with scheduled live classes and firm due dates. In order to achieve our educational mission, we ask each and every family to partner with FreedomProject Academy.

While our approach to education in the classroom remains constant, we need an equal commitment from families. Simply stated, we need our families to be fully invested in the educational process alongside us. Students must attend classes on a regular basis, participate in class discussions, submit assignments on time, and work with teachers to achieve their very best. Parents must monitor student progress, respond promptly to communications from teachers and administration, and help students manage workload and due dates. A complete list of student and parent expectations can be found at [fpeusa.org](http://fpeusa.org).

### *How* **FPA** *Works*

FreedomProject Academy's curriculum is designed to teach students how to think, not what to think. Parents who consider enrolling their children in FPA must understand that our school seeks to build the broad and solid intellectual foundation that only Classical education provides. Students enrolled in FPA are expected to attend and participate in live, online classes throughout the week. All student assignments, quizzes, tests, and grades will be stored in Canvas, which is accessible from any computer 24/7.

## **GRADES K-5** *Parents can expect:*

- 2 hours of live instruction per day (Monday – Thursday)
- Average homework: 2 hours per day (Monday – Friday)
- 18 total hours of class and homework per week

## **GRADE 6** *Parents can expect:*

- Four 50-minute classes per week for each, Math and English M/T/W/Th  
Two 50-minute classes per week for each, Science and History M/W or T/Th
- Average homework for Math, Fundamental Math, and English:  
4 hours per class each week
- Average homework for Science and History:  
3 hours per class each week
- 26 total hours of class and homework per week  
(based on four classes per week)

## **GRADES 7-12** *Parents can expect:*

- Two 50-minute classes of live instruction per course,  
per week (M/W or T/Th for Standard Classes)
- Four 50-minute classes of live instruction per course,  
per week (M/T/W/Th for Extended Classes)
- Average homework: 5 hours per course each week
- 36-38 total hours of class and homework per week  
(based on five classes per week)

# TUITION

## *Kindergarten — Fifth Grade*

- Full-time Student - \$2,400/year
- All FPA classes meet for the full year (two semesters).

## *Sixth Grade*

### Standard Classes (Meet 2 times per week)

- 6th History and Science - \$550/class

### Extended Classes (Meet 4 times per week)

- Grade 6 Math, Fundamental Math, and English - \$675/class

## *Seventh — Twelfth Grade*

### Standard Classes (Meet 2 times per week)

- All Individual Classes - \$550/class

### Extended Classes (Meet 4 times per week)

- Pre-Algebra, Algebra I, Algebra II - \$675/class

## *New Summer School Classes*

### 30-36 hours of course content recordings

- JH English - \$250/class
- Pre-Algebra - \$250/class

Paced to prepare for entrance into English I  
or Algebra & Geometry I

# PAYMENT PLAN

For the convenience of families, FreedomProject Academy offers an 8-month Payment Plan for EACH STUDENT enrolled in a minimum of two classes. (K-5 elementary students are eligible since grades are sold as one course.)

To take advantage of the Payment Plan, a contract must be completed by the parent. A \$300 down payment for each student will be deducted on Monday, August 3, 2020. The down payment is non-refundable. No subsequent monthly fee will be assessed. Eight equal payments will be deducted on the first of each month (September-April).

## *Tuition Assistance*

FreedomProject Academy offers a tuition assistance program for eligible families in need of financial help. FPA is partnered with FACTS, an organization that provides detailed assessments about the financial need of each applicant. These reports help our Tuition Assistance Committee determine which students are eligible for tuition assistance and to what degree. Students must maintain a 2.0 GPA to qualify for tuition assistance.

The cost to submit an application is \$35 per family. Application information can be found at [fpeusa.org](http://fpeusa.org).

# DISCOUNTS

FreedomProject Academy will offer a 5% discount for all enrolling by Friday, March 27, 2020. (Tuition must be \$2,000 or more to qualify.) Discounts are subsidized by generous tax-deductible donations made to FPA by our donors.

## *Enrollment Fee*

FreedomProject Academy requires a non-refundable enrollment fee of \$225 per student.

Although remittance of the enrollment fee is not a down payment of tuition, it does guarantee the student a seat in available classes but not specific sections. Enrollment deadline is July 17, 2020. No late enrollments will be permitted.

## Family Tutoring Package

FreedomProject Academy offers an optional Family Tutoring Package for students in grades 5 – 12 in English and Math and 6-12 in English, Math, and Science. Tutoring sessions meet every Friday throughout the school year.

The cost of the package is \$175 per family (applies to current students enrolled) for a full year of tutoring.

## JUMPSTART!

FreedomProject Academy is pleased to offer our JumpStart! program. For a \$50 fee per family, FPA will provide a JumpStart! coordinator who will arrange and oversee the transition to our school for you, facilitating such things as book buying, required technology, testing technology, expectations, first week check-in, and much more.

The coordinator will walk you through every aspect of enrolling and preparing for the first day of classes, and will be available to you for special assistance throughout the school year.

## Note for all Grades

- Homework time averages are based on what is expected of the average student. Students with learning disabilities may need more time.
- All live classes are recorded and available for viewing 24/7.
- There are no live classes on Fridays, although there may be assignments and homework.
- FPA provides all assignments, quizzes, tests, and grades.
- All students are expected to maintain at least a 2.0 GPA.

## **TUITION:** *Full Payment* **REFUND POLICY**

Tuition is due by Monday, **August 3, 2020**. Families have 72 hours after tuition is paid to claim a full refund. Students choosing to withdraw after 72 hours and before 4 p.m. Central Time on Thursday, **August 6, 2020** will, receive a 50% reimbursement of the total tuition due. As of 4 p.m. Central Time on Thursday, **August 6, 2019**, NO REFUNDS will be given to students withdrawn from classes for which FPA guaranteed them seats.

## **TUITION:** *Payment Plan* **REFUND POLICY**

Families have 72 hours after a tuition Payment Plan is submitted to claim a full refund. Following that time the Payment Plan can be cancelled up until Thursday, **August 6, 2020**, with only the down payment being non-refundable.

Payment Plan contracts are due by Monday, **August 3, 2020**. Families are responsible for all committed monthly payments after Thursday, **August 6, 2020**, regardless of enrollment status.

## *Textbooks*

FPA goes to great lengths to ensure that textbooks are free from Common Core, are factually accurate, contribute to a Classical education, and embody the values central to our program.

FPA does not supply textbooks for students. FPA's partnership with book providers have made the process of ordering books simple and convenient for parents. Books must be ordered at least 3 weeks prior to the start of the school year. Any materials not secured prior to school starting will not be provided by "FPA" nor will extensions on work be granted.

## Placement Testing

Because of extreme disparities in academic preparation among enrolling students, FreedomProject Academy requires all new students to complete placement tests. These tests are essential to helping us determine the appropriate grade level for your student. Prospective Kindergarten students complete an online readiness test with a teacher. First-time students entering grades 1 through 5 must complete math and reading tests. First-time students in grades 6 through 12 complete placement tests in math as well as grammar, reading comprehension, and writing. Some science courses and second or third year foreign language courses also require placement testing for first-time enrollment. The last day to take placement tests is **July 24, 2020**. FPA will only enroll students in courses for which they show proficiency through their placement testing.

*Decisions based on Placement Test Results Are Final*

**Important: Placement Testing will be administered AFTER the student has enrolled in FreedomProject Academy and paid the \$225 enrollment fee.**

## CLASS CONFIRMATION

Enrolling in a class at FreedomProject Academy guarantees a student a spot in that class, but not a specific section of that class, until payment is made. Once a student's tuition is paid in full, or a Payment Plan contract has been submitted, the student will be locked into their preferred course sections if available. Students may lose seats in preferred sections if payment is received from other enrolled students first.

## REQUIRED TECHNOLOGY

- Desktop or laptop computer less than 5 years old
- No iPads or tablets
- DSL speed internet connection
- Minimum speed: download 5mbps | upload 1 mbps
- USB headset w/microphone or stand-alone microphone
- Document printer/scanner
- Microsoft Word or Open Office (Free Download)
- Adobe Reader (Free Download)
- Adobe Flash Player (Free Download)
- Two web browsers

## *Cursive Writing*

Students in classes from Kindergarten through the first semester of 2nd Grade are taught manuscript writing (printing). Students from the beginning of the second semester of 2nd Grade through 5th Grade are taught cursive.

As students become fluent in cursive beyond 3rd Grade, teachers will regularly assign work that is required to be handwritten in cursive.

FPA requires all students from grades 6 through 12 to use cursive writing when submitting most handwritten assignments. These assignments must be legible and will not be accepted if printed or typed.

Please contact FPA if your student needs help with cursive writing.

## ACADEMIC PROBATION

All students at FPA will be expected to maintain a 2.0 GPA. Failure to maintain a 2.0 GPA will result in Academic Probation. See website and handbook for complete details.

## Due Dates

We are a school, not merely a homeschool resource or tutorial service. As such we strive to provide structure for our students, not just information. We believe that part of the educational experience is preparing students for real-life responsibilities, including deadlines, due dates, and time management. For these reasons, due dates are strictly enforced. In the rare instances when a deadline or due date must be missed, a parent must provide an explanation of the extenuating circumstance in order to receive an extension.

Extended travel throughout the school year is possible for our students, although not encouraged. One due date deadline extension per semester is permitted for travel provided the principal is notified at least one week in advance about the dates of scheduled travel. All work will need to be submitted within one week of returning from travel.

Any other travel or situations that prevent class attendance or submission of school work by the due date assigned by the teacher become the responsibility of the student and parent. Two additional due date extensions will be allowed per semester. No other extensions will be allowed except for these four valid reasons: technical problems, acts of nature, illness, or family emergencies. For more details, please see [fpeusa.org](http://fpeusa.org).

## Learning & Physical Disabilities

Parents of students with diagnosed or suspected learning or physical disabilities – past or present – must notify the principal **before enrolling**. FreedomProject Academy may or may not be the right learning environment for such students, and there is no way to know for sure unless parents are up front with us from the outset.

Failure to disclose the existence and extent of a student's special needs may result in either transferring the student to audit status or dismissing the student from FPA.

## *Non-Denominational School*

FPA is a non-denominational Classical school anchored firmly in Judeo-Christian values. Our courses are Biblical in worldview and promote Biblical understandings of knowledge and truth.

We do not promote the theology of any particular church, temple, or branch of Judeo-Christian thought. We work to inspire basic Judeo-Christian values in the classroom, allowing parents to teach their particular faith traditions and beliefs at home.

## *Literature*

The literature students will read at FPA is selected to expose students to a range of voices as they encounter the great books of Western Civilization. Regardless of the content of each book, the books will be taught from a Biblical worldview and contribute to a wide variety of perspectives that will give a basis to understand how Western Culture has been shaped.

## *Grades*

All graded material is available in Canvas for students and their parents to access 24/7. When a teacher grades an assignment, quiz, or test, a notification is sent to the student's newsfeed in Canvas. Teachers have the ability to digitally mark up papers and also attach a recorded video or audio comment to graded material, if they so choose. Students use a unique login to access their accounts and submit work.

## Promotion

As with any school, students must attain a basic mastery of subject knowledge before moving on to the next level. Elementary students must achieve 65% or higher in all subjects to be promoted to the next level, although 70% is preferred. Students in grades 6 through 12 must have a final grade of 65% or higher in order to pass or earn credit in any course.

Students who fail any high school course must retake it if they wish to receive a diploma from FPA. Both attempts will be included on the transcript and in the GPA.

## Parent / Student Handbook

To clearly understand what is expected of students at FPA, both parents and students must read the Parent/Student Handbook before deciding to enroll.

It can be found at [fpeusa.org](http://fpeusa.org).

## Transcripts

Teachers provide progress reports to parents or guardians every 9 weeks or as needed throughout the school year. FPA provides report cards at the end of each semester. Transcripts are available upon request for all completed courses and are also posted in Maestro at the conclusion of the school year.

## Diplomas

The required courses that must be successfully completed to receive a high school diploma from FPA can be viewed at [fpeusa.org](http://fpeusa.org).

Only students who earn the required five credits for each high school year they are enrolled with FPA will qualify to receive a diploma from FPA. The minimum requirement for a diploma is 10 credits earned with FPA in the junior and senior years.

## Kindergarten - 9th Grade Classes

### KINDERGARTEN

Reading, Phonics  
Handwriting  
Arithmetic  
Science  
Art

### GRADE 1

Reading, Phonics

# FPA Endorsements

FreedomProject Academy is wildly anti-Common Core, which I love!

**GLENN BECK**

TV & Radio Host/ *TheBlaze*

If you are like me, tired of Common Core and education bureaucrats, then you need to go to FreedomProject Academy.

**DAN BONGINO**

Host/*Conservative Review*

What you're doing is so important. The greatest teaching is going to happen outside the traditional classroom. I love and endorse what you're doing.

**CHARLIE KIRK**

Turning Point USA

FPA puts into practice what we talk about in the movie *IndoctriNation*, where we are talking about the problems in the public school system. They provide an amazing alternative.

**COLIN GUNN**

Director of *IndoctriNation*

The American spirit is alive, and we breathe new life into it through education and projects like this.

**SENATOR RON JOHNSON**

[R] Wisconsin

FPA is utilizing the tools of the future while giving an education that is rooted in traditional and timeless moral values. It is the best of both worlds ... it's the best of every world.

**MATT WALSH**  
Host/*The Daily Wire*

You can do it with the best teachers, the best methods, and the best classes in the world. I don't think there is any place better than FPA.

**STEVEN CROWDER**  
Host/*Conservative Review*

Our band is on the road touring 200 days a year, but my daughter receives the same great education everywhere we go!

**KIMBERLY SCHLAPMAN**  
FPA Parent & Singer / *Little Big Town*

If you are a young person enrolled in FreedomProject Academy, thank your parents. They did a fantastic job of finding FPA and getting you the best possible education at this stage of life.

**TIM SCHMIDT**  
FPA Parent & President / *USCCA*

FPA delivers high class, high quality education, that families can afford. I think what FPA is doing right now is the model for the future.

**TREVOR LOUDON**  
Author/ *Speaker*

A young boy with dark, curly hair is smiling and looking towards the camera. He is wearing a light blue button-down shirt and has a dark blue backpack on his shoulders. He is standing in front of a brick school building with a white entrance and a small tree. The sky is a mix of orange and blue, suggesting a sunset or sunrise. The text 'PARTNERING WITH CHURCHES & PRIVATE SCHOOLS' is overlaid on the image in white, bold, sans-serif font. The ampersand is a decorative, stylized symbol.

# PARTNERING WITH CHURCHES & PRIVATE SCHOOLS

**F**or almost two thousand years, churches have been the center of our communities, the very cornerstone of Western Civilization.

Just a few short decades ago, Biblical teaching and Christian worldview were the bedrock of every child's education. Sadly, that is no longer the case in our public schools, where too much government interference and progressive ideology undermine Judeo-Christian values, warp the teaching of American history, and actively work to drive a wedge between children and their parents. A once-a-week church service and an hour of Sunday school are no longer enough to preserve the faith of our kids and prepare them for a life anchored in Christ.

FreedomProject Academy partners with churches across the country to provide fully accredited, Biblically-based, K-12 online classes that allow every church that sits empty Monday through Friday to start their own school. FreedomProject Academy provides more than 100 live courses from core subjects such as English, math, history, and science to courses in Latin, Spanish, French and economics. Schools can select the classes they want to use, while supplementing their own courses for Bible study, music, art, and anything else they choose.

FPA not only offers each of our classes live online, but also records each class, making them available for immediate playback 24/7. In addition, our teachers assign all homework, quizzes, and tests, and are responsible for all grading.

Let's continue to impact as many lives as possible by providing a Christ-centered education for children around the world. Together we can Faithfully Educate America.

*But Jesus said, "Let the children alone, and do not hinder them from coming to Me; for the kingdom of heaven belongs to such as these."*

**-Matthew 19:14**

*"Train up a child in the way he should go, Even when he is old he will not depart from it."*

**-Proverbs 22:6**

After speaking with the staff at FreedomProject Academy we knew this would work for Grace Christian Academy and could be a model for other schools looking to blend the virtual and traditional classrooms. With budgets the way they are for private schools and the fact that FPA is built on Judeo-Christian values, it is just a win-win relationship in so many different ways.

## **MR. JEREMIE JOHNSON**

**Head Administrator, Grace Christian Academy**  
Pulaski, Wisconsin

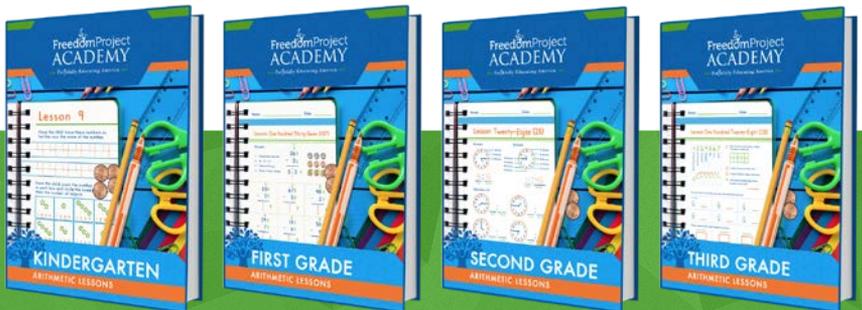

# CURRICULUM

## Common Core Free

Following years of development and beta testing in FPA classrooms, FreedomProject Academy is proud to announce the launch of our very own K-3 arithmetic workbooks this summer!

FPA has worked hard to develop a math series that is free of Common Core methods and strategies, and intends to continue creating additional educational tools in the coming years.

# Educational Talks

**8 YEARS | 1000+ TALKS | 48 STATES**

Dr. Duke Pesta, FreedomProject Academy's director, has spent the last seven years travelling the country, speaking to tens of thousands of moms and dads about educational reform and Common Core.

Dr. Pesta is one of the nation's foremost experts on the federal takeover of public education, testifying before a number of state legislatures. Dr. Pesta's collective videos and presentations have surpassed ten million views on Facebook and YouTube.

FreedomProject offers a wealth of in-depth videos that discuss Common Core, ESSA, and the federal takeover of education in America. All videos available for FREE at [fpeusa.org](http://fpeusa.org).

## Family Lecture Series

FreedomProject takes great pride in the ability to provide numerous educational experiences for people of all ages. Our Family Lecture Series is one of those pieces and they have become quite popular for those who want to take a few hours to dive into a topic.

Dr. Duke Pesta has already covered numerous topics with more being added all the time.

- ★ The Socialist Destruction of Education
- ★ Universities: History, Purpose & Politics
- ★ Why Life: The Story Of Abortion
- ★ History Of Dissection: Superstition, Science & Soul
- ★ Shakespeare 400: Death, Remembrance & Resurrection
- ★ The Gospel Of John
- ★ The Timeless Appeal Of Fairytales
- ★ Charles Dickens: The Making Of A Christmas Carol
- ★ The Peanuts Gang: A Promise Of Christian Redemption

All of these series are available for FREE on [FreedomProject.com](https://FreedomProject.com)

# Success Stories

Beyond our expectations! The FPA motto of teaching kids how to think not what to think is very true. My kids are constantly challenged....love the content...my daughter is actually using what she learns in her daily life. It is fantastic! It is the kind of curriculum that every kid should be taught.

**-FPA PARENT**

The teachers make learning fun and easy to follow & always go out of their way to meet with my daughter when she needs extra help. As an online teacher myself, I know it is not easy. I would like to thank each and every one of them. They do a wonderful job overall!

**-FPA PARENT**

Thank you for all you do! Thank you for challenging my kids. They have learned so much and have enjoyed all their teachers! Not only are they learning, they are retaining the information, and they are enjoying having dialogue with us about what they have learned. Great job!!!

**-FPA PARENT**

My husband and I really appreciate FPA. I have said it each year, but we feel so blessed to have our kids attend. It has been an answer to prayer. We so appreciate the teachers at FPA. The history teacher is a favorite of all the students and with good reason. I appreciate his care and concern for his students, and he makes history come alive. My students always looked forward to the virtual field trips and his eating recommendations across the world. I have felt that the English teachers have helped my students hone their craft of writing. They have allowed and encouraged my kids to find their voice as writers--again, caring more about the learning and development than the rubric.

**-FPA PARENT**

We are very pleased with the FPA teachers! I love the opportunity that my students have to learn from real teachers and to interact with other students. I found the teachers to be well organized and usually quite understanding of any issues that arose whether it be sickness, technology or learning concerns that came up. I was always excited to see the special effort that teachers took to engage and involve my students, whether it be through a pre-class video/song, in-class learning game, or a project that was assigned. It makes it so much more interesting to see a photo of a teacher's family or pet or to hear about a place and see photos of a place where a teacher travelled. I think that sparks more connections and, therefore, more learning.

**-FPA PARENT**

Recognizing the urgent need to impact culture beyond the world of K-12 education, FreedomProject maintains a booming media division: a venture that brings education, information, and inspiration to audiences of all ages through original programming, educational media, and current events-oriented content.

From our award-winning educational series such as Battles of America, The Presidential Minute, and 56 Signers, to our extensive resources devoted to fighting Common Core, and our new team of personalities dedicated to delivering daily articles and videos designed to engage the culture, FreedomProject Media offers content that is timely, relevant, entertaining, and eye opening for new generations of men and women.

## PERSONALITIES

# DR DUKE SHOW

COVERING THE  
STORIES IMPACTING  
K-12 CLASSROOMS AND  
COLLEGE CAMPUSES  
ACROSS THE NATION

(ATTENTION: SHOW CONTENT IS INTENDED FOR ADULTS, NOT CHILDREN)

Every day **The Dr. Duke Show** takes on the sad, funny, unbelievable, and downright crazy stories emanating from America's classrooms and college campuses. This one-of-a-kind podcast will shock and entertain while keeping you up to date on the dangers facing our republic from politicized teachers, intolerant professors, and generations of miseducated and indoctrinated students.

New 15-minute episodes available Monday-Thursday at 6pm Central Time. Subscribe to the Dr. Duke Show podcast on any platform.

## Our Challenge

The success of our mission—changing culture and restoring the nation through education—depends on our ability to offer this Classical alternative to as many families as possible. This means upholding quality while keeping tuition and technology costs low. By maintaining efficient pricing for our classes and services, we can reach families from radically diverse backgrounds.

To maintain this winning formula, it is imperative that FPA build a committed and engaged donor base to help supplement and sustain our innovative pedagogy and delivery systems.

## Your Involvement

As we pursue this exciting opportunity, we turn to you with three requests:

**1**

Consider a generous financial commitment to this project.

**2**

Introduce your friends to FreedomProject Academy.

**3**

Reach out to families who would consider enrolling children in FreedomProject Academy.

# Our Governing Values

## WE TEACH TRUTH

We teach students how to think, not what to think.

## WE INVEST

We empower our team to maximize their talents.

## WE LEAD

We actively pursue people who change lives through education.

## WE INNOVATE

We transform the way America views, pursues, and accomplishes education.

## WE EMBODY

We strive to fulfill our goal of Faithfully Educating America.

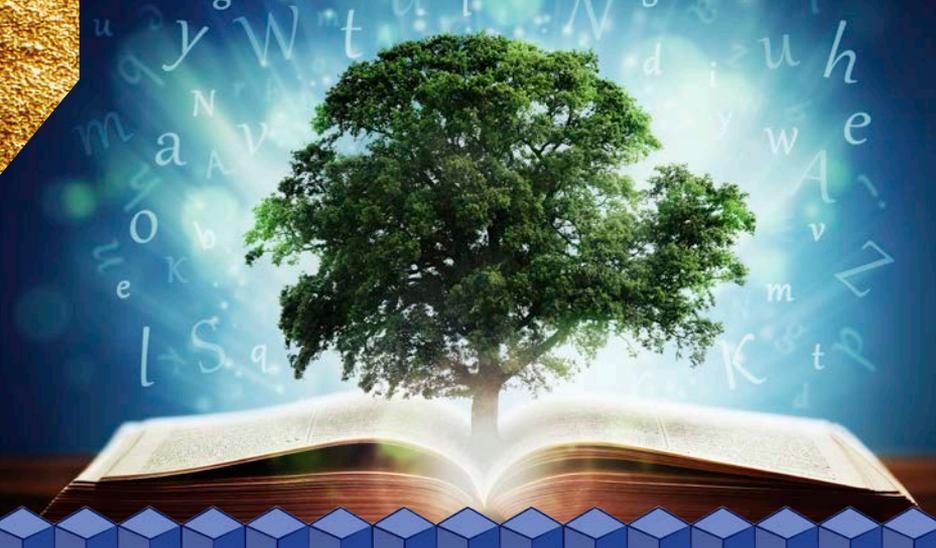

## Your Commitment

### TAX-DEDUCTIBLE DONATION

Your commitment can be in the form of Cash, Check, or Credit/Debit Card to American Opinion Foundation, Inc., which is a 501(c)(3) entity. (Employer Identification Number: 20-3968122. Your donation is fully tax-deductible, within IRS guidelines, as long as no goods or services are provided in exchange for the contribution.)

## Important Dates

<b>RE-ENROLLMENT BEGINS</b>	March 3, 2020
<b>OPEN ENROLLMENT</b>	March 10, 2020
<b>ENROLLMENT ENDS</b>	July 17, 2020
