Attendance/Participation:

Attendance to both weekly class sessions is expected. If an absence is expected or occurred, a parent needs to promptly email the teacher an explanation.

Q. During a live-class session, what does “participation” mean?

A. Students respond verbally when called upon, answer poll questions, share facts on the board, post Q & A or Chat messages, etc.

Q. What happens when a student doesn’t participate (respond when called on)?

A. They will be removed from that live-class session. The student logs back-in, types in a quick Q & A note to the teacher, then proceeds to participate. Additional removals will result in parent/teacher communications.

Expectations/Guidelines:

1. Assignment Sheets: You must read the Assignment Sheet at the start of every week. It will list what is due and when. Specific instructions will be stated in the Canvas assignment link.
2. Class Etiquette: You must be respectful of other people. Everyone must feel free to participate and learn. Do not mock or give negative feedback on someone’s answers/responses unless it is constructive/helpful.
3. Submitting Assignments: You MUST submit your assignments through Canvas. Assignments cannot be accepted via email. All written assignments must be done in cursive. All scanned pages need to be merged and saved as one pdf file.
4. Preparation: You MUST come to class ready to share. This means you need a working headset/microphone, textbook & workbook near you, and a readiness to participate when called on.
5. Grades: All grades will appear in your World Geography grade book in Canvas. Pictured icons indicate you have completed the assignment and it is waiting to be graded. All scores that are less than a 100% will have feedback in either an overall instructor comment, corrections/comments directly written on the submitted pdf, comment inside the grading rubric, or a comment listed below a specific question(s) within the quiz.
6. Due Dates: All due dates are listed on the Assignment Sheets located in the Announcements section. There are two dates you need to be aware of: the due date and the close date. You must complete the assignment before the DUE date. All late or missing assignments will receive a zero. If an assignment is open (meaning: no close date is posted) then only students, whose parents have cleared an extension with the teacher, can go past the due date. Late assignments will not be graded unless an extension has been granted. All quizzes will close on their due dates, and will only be reopened for approved extensions.
