

Freedom Project Academy Written Application Questions

Please answer the following questions or respond to the prompt in one to two paragraphs.

1. How did you hear about FreedomProject Academy, and why would you like to teach for our classical online school?
2. Describe your philosophy of education and student learning.
3. What does classical education mean to you? Describe your experience with classical teaching methods.
4. Explain how your abilities, experience, and personal beliefs fit into FPA's educational commitments and Judeo-Christian values as a classical Christian school.
5. Describe your experience teaching in an online classroom environment. What are the advantages and challenges you have experienced teaching online?
